## ***Senior Business Consultant***

CaseWare IDEA B.V. was founded 15 years ago and has a proven track record in implementing data analysis software in the Benelux, France and Italy, with more than 1.200 client organizations. CaseWare IDEA B.V. is also the European HQ for CaseWare IDEA Inc. CaseWare IDEA Inc. is a privately held software development and marketing company, with offices in Toronto and Ottawa, Canada, with distributor partners in over 50 countries. CaseWare IDEA Inc. is the developer and global distributor of IDEA, IDEA Server and Smart Analyzer, the leading data analysis software suite used by accountants, auditors, systems and financial professionals around the world.

CaseWare IDEA's newest product is CaseWare Monitor, a comprehensive solution for Continuous Risk and Controls Monitoring. To introduce CaseWare Monitor to the Benelux, we are looking for a senior business consultant who understands business processes and internal control frameworks in a wide range of sectors, a professional who can listen and translate from problems to a solution with our software - not with promises but with a proof of concept!

### Qualifications

- Minimum of 10 years' experience as an IT consultant in a Business to Business environment.
- University degree preferably an MBA with a focus on technology.
- Knowledge and experience with Business Intelligence tools.
- Knowledge of data analysis software is an extra that's welcome.
- Good communication skills, both in word and writing.
- Analytically strong with a practical mind, strong on your own but even better in a team of professionals.

### A Career at CaseWare IDEA

CaseWare IDEA is committed to creating and maintaining a company of the highest integrity. Therefore the four most important traits in recruiting, in order of importance, are Integrity, Motivation, Capacity and Understanding. Our focus is to create teams that are driven to get results, not based solely on the influences of leadership, but more so being accountable to peers. In that regard, we do not create complex hierarchies within the company but entrepreneurial teams to achieve awesome results.

Team members are stakeholders and this reinforces our culture of responsibility, accountability and openness. We are responsible for supporting team members to achieve quantum leaps in performance. There is a high level of consultation and members earn their credibility through participation and innovation.

A career at CaseWare IDEA is fulfilling as we create amazing results while enjoying every minute of our success.
